## Summary:

Highly motivated and skilled junior data analyst with 7 months of experience in data analysis, data visualization, and statistical modeling. Proficient in Python, SQL, and Tableau. Recently completed a 7-month Data Science Trainee program at TuringMinds.AI, where I gained hands-on experience in data preprocessing, exploratory data analysis, and machine learning algorithms. Seeking a challenging role that leverages my skills and experience.

## Professional Experience:

**TuringMinds.AI** (Oct. 2022 – Apr.2023)

- As a Data Science Trainee, my role was to learn the fundamentals of Data Science including Python, SQL, Git and GitHub, Tableau, Algorithms, Data Cleaning, Preprocessing, and Visualizing. It was a Work-Integrated Program so, I was tasked to analyze the dataset of Covid-19, Retail Shop, Concrete Data.

**SITH – Solutions for IT** (Dec. 2021 – Mar. 2022)

- As a Laravel Developer, my role was to re-design, re-develop, and add more functionalities to the existing web application, including making a role-based authentication, assigning tasks for different roles, and notifying them.
- Collaborated with front-end developers to ensure seamless integration of back-end and front-end features.

## Technical Skills:

- **Web design:** HTML, CSS, JavaScript, jQuery, Bootstrap, Materialize CSS
- **Back-end development:** Laravel, PHP, MySQL
- **Data analysis and visualization:** Python, Pandas, Matplotlib, Seaborn
- **Other tools:** Git, Adobe Illustrator, Figma, Canva, Wondershare Filmora

## Education:

**BE Computer Engineering, Pillai College of Engineering** (2021) – 6.75 CGPA

- Relevant coursework: Web Development, Database Management Systems, Object-Oriented Programming, Data Structures and Algorithms, Human-Computer Interaction, UX Design

## Certifications:

- Virtual Experience Program (Data Science), British Airways – (May 2023)
- Virtual Experience Program (Engineering), Goldman Sachs – (Aug. 2021)
- AWS Specialization, Coursera – (May 2020)
- Google IT Support Specialization, Coursera – (May 2020)
